

The Month of Waste

SMART WASTE MANAGEMENT FOR SMARTER CLUSTER SCHOOLS

ERASMUS +2020-1-RO01-KA229-079971

SCOALA GIMNAZIALA ROMULI

Cosbuc Secondary School

Telciu Technological Highschool

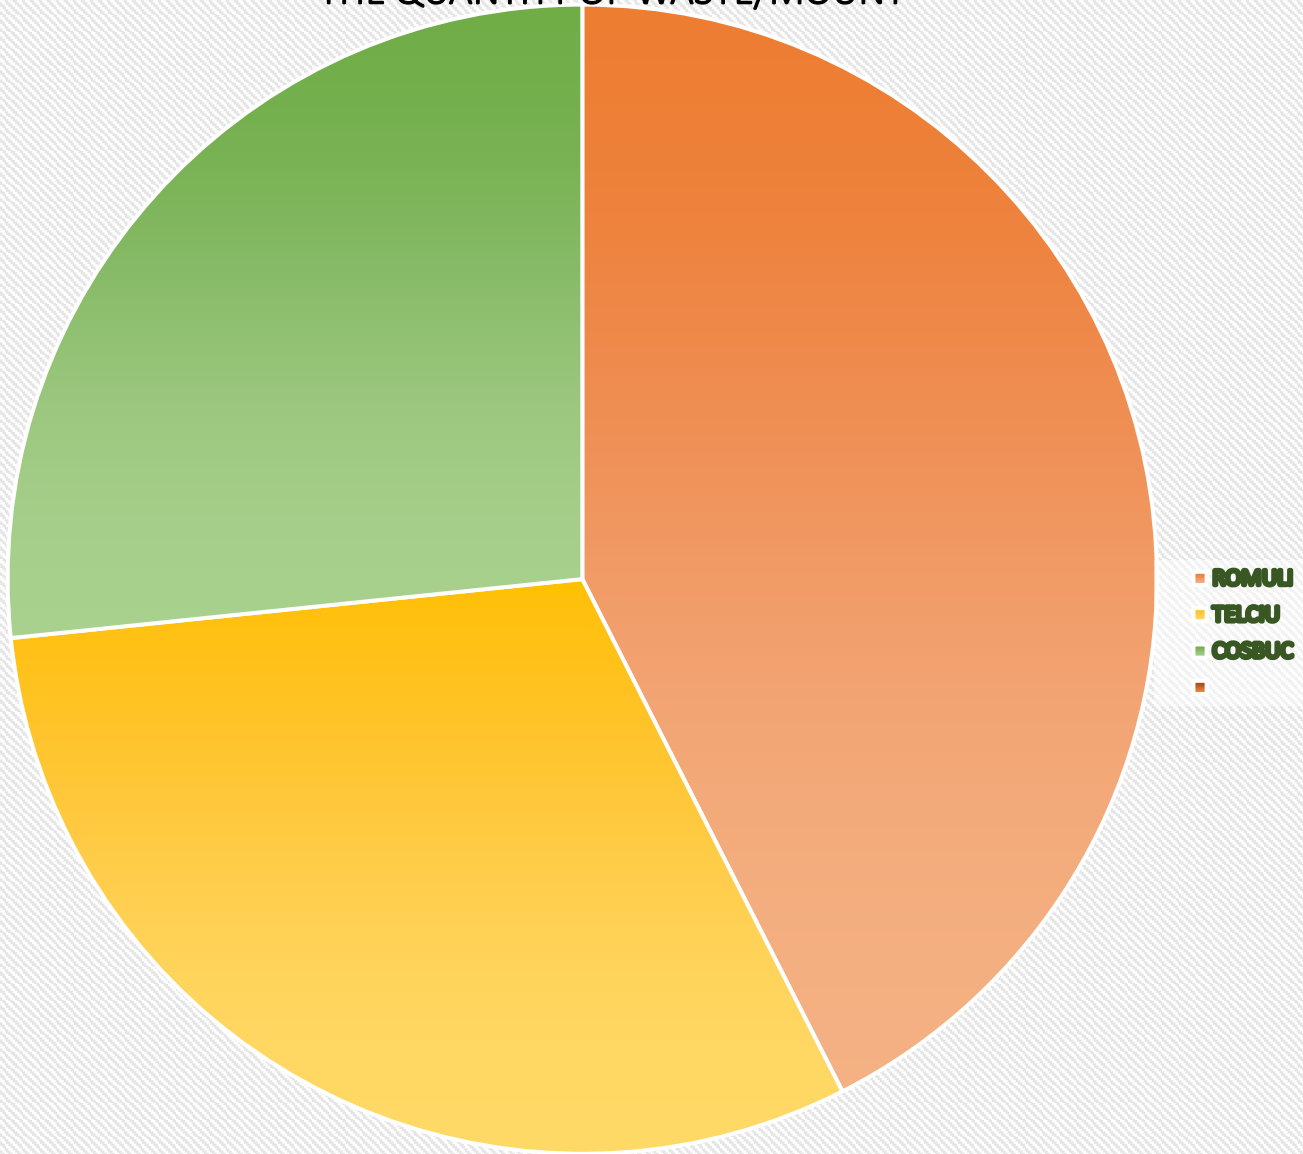

THE MONTH OF OCTOBER WAS DEDICATED TO WASTE COLLECTIONS.
THE RESULTS CAN BE FOUND IN THE GRAPHICS.

What happens to things when are they recycled?

After you have placed your item for recycling in the recycling bin, it will be taken to a recycling plant, shredded into very small pieces and melted down into a liquid or paste before being reused to create something new.
