

Waste Collection Service In My School

Smart Waste Management For Smarter Cluster Schools

2020-1-R001-KA229-079971

Mustafa Itri
Secondary School
- cluster school of the project -

WHAT

- Paper
- Plastic
- Glass

WHERE

- We collect the in the bins in classes
- We collect the in the bins in corridors
- We collect the in the bins in garden

WHEN

- They are collected every weekend to be taken to the facility

HOW

- They are collected by school staff then left to the officials to be taken

WHY

- We should save energy and money
- We should conserve natural resources
- We should ensure a sustainable future
