## LTTA Bistrița- Romania: Smart Management Strategies for Smart Cluster Community

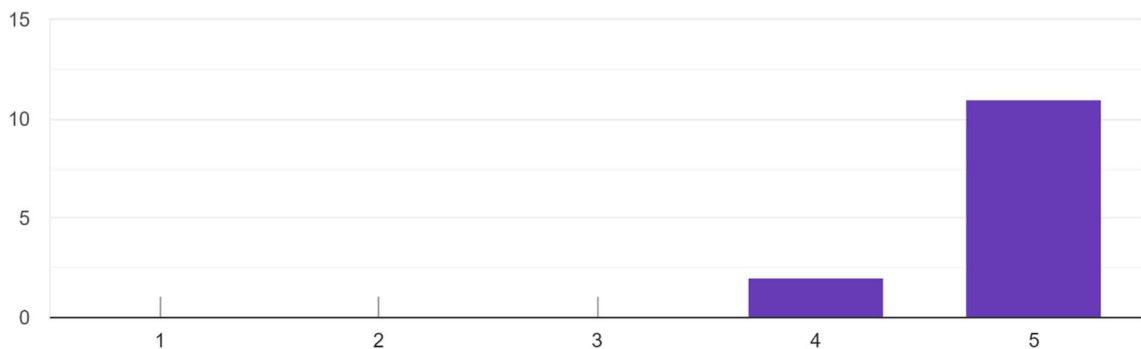

### Feedback from participants

The Learning, Teaching and Training Activity - LTTA Bistrița Romania, organized during the Erasmus+ project Smart Waste Management for Smarter Cluster Schools took place from April 4 to April 8, 2022, in Bistrița.

The activities organized on the topic Smart Management Strategies for Smart Cluster Community were attended by teachers from partners schools from Croatia (3), Lithuania (3), Greece (2), Turkey (4), Romania- Romuli (1) and Romania – Bistrița (3).

At the end of this LTTA, the participants answered few questions about their experience during the activities.

Please rate the arrangements made by school host for accommodation  
13 răspunsuri
